

Framingham Central Rock Gym
Instructions for BBSCM Staff and Bigs

The Central Rock Gym in Framingham has agreed to a \$10 per pass for our matches! The passes will include shoes and chalk bags. Unlike the Worcester gym, this gym does not have rope climbing, only bouldering. Their walls are 15ft tall with padded floors. This means that there is no training required!

There are limited hours for kids under 10 years old. Kids under 10 are welcome to visit before 5pm on weekdays and before 2pm on Saturday and Sunday.

Bigs and Littles' parent/guardian are required to complete a waiver – no Big should complete this waiver for their Little:
